Selsey has an amazing variety of initiatives for all age groups. They are a credit to their organisers

drop in centre for the elderly in the afternoons

bowling there is one in Chichester and the young like it

cinema, clubs, for youngsters where they could release their frustration and energy

a social club (another)

more places for the elderly to meet

many older residents are lonely and to meet up with others in a similar situation, in a hall or pub would be great, to chat, make new friends and socialise. Wonderful
